Proudly serving the communities of Purcellville, Lincoln, Hillsboro and Philomont since 1969.

Chairman Rambo,

We understand Purcellville Volunteer Fire Company has requested the Fire & Rescue Commission to change the status of their engine to a medium duty squad. We feel that allowing this change will improve service to our community and prove to be a benefit to western Loudoun County. We would like to express our support of their request and ask you to approve this change.

Regards,

David M. Winant
Chief, Purcellville Rescue
